

2011

Founded as Principles of Execution (PofE), a Project Portfolio Management Consulting Practice. In 2017, PofE achieved the Certified Minority Business Enterprise status.

2020

PofE received formal investment from Turnberry Solutions and formed a strategic partnership.

Today

As a Certified MBE, Turnberry Premiere offers clients the combined best practices and management capabilities of PofE with the technology consulting, application development, and cloud enablement capabilities of Turnberry Solutions.

TURNBERRY PREMIERE

TURNBERRY
PREMIERE

The role of IT has never been more essential in building a company's competitive advantage. Turnberry Premiere helps organizations that want to create a team of productive employees that can accomplish more every day! There can be no more siloed thinking. This is the new normal for IT.

Turnberry Premiere's unique model fuses strategy, SDLC and highly-experienced people to deliver the transformational solutions that move your business forward. We are by your side, making sure that every initiative — large or small — delivers the innovation and performance you need with exceptional speed and quality.

OUR FORMULA IS FOCUSED ON THREE AREAS CRITICAL TO SUCCESS.

PEOPLE

The CREW program is Turnberry Premiere's junior consultant development initiative, designed for future leaders in their first five years. With deep expertise in junior talent recruiting, strong campus connections, and a refined selection process, we develop exceptional talent through expert consulting and hands-on experience to drive strategic business success.

SUSTAINABILITY

Turnberry Premiere's Sustainability service is dedicated to helping organizations thrive in a changing world by integrating environmental, social, and governance (ESG) principles into core operations. We provide innovative strategies that reduce carbon footprints, enhance operational efficiency, and align with global sustainability standards, ensuring long-term growth and resilience for our clients

PRIORITIZATION

Turnberry Premiere's Project Portfolio Management (PPM) service provides strategic guidance and innovative solutions to ensure successful project delivery. We leverage advanced technologies and industry best practices to optimize project planning, execution, and monitoring, helping organizations align their initiatives with business objectives, maximize ROI, and achieve sustainable growth in a dynamic environment.

AND GROUNDED IN A COMMITMENT TO SERVICE

Turnberry Premiere is dedicated to bettering underserved communities. We are proudly reinvesting in the St. Louis area by donating a portion of our profits to Dream Builders 4 Equity (DB4E), a nonprofit that develops economically sustainable and socially engages communities by growing equity for youth, businesses, residents, and real estate.
